Thanks.....

On other matters..... looks like the **nonresponsive** is at 2:15 with the Dimock - methane briefing scheduled for 2:45 (till 3:15) Ron and I are still hoping to finish **nonresponsive** early and then move right into Dimock, so how about you plan to be available on 16th floor at 2:30. The meetings are in the RA's meeting room, next to his office.
